Other projects/ Information of note

LSE subsidiary company
<ul style="list-style-type: none"> One LSE subsidiary company has received funding from a military organisation named in our original Freedom of Information Request since 2001.⁵
Students' fees and living expenses
<ul style="list-style-type: none"> Military companies have also funded seven students' fees and living expenses to the tune of £83,706 since 2001.⁶
Discrepancy between our findings and LSE's
<ul style="list-style-type: none"> During this time period LSE claim “Most of the companies mentioned in your request have not provided any funding to the School in the time period of your request. Only

five have. The total income received from these companies is £440,128” but our amounts found via Internet research come to more.⁷
